Qualification into the Provincial Cup will be granted to teams who meet the following criteria:

- U14-U18 BCCSL Divisional Winners
- Coastal Cup Finals Winner
- If the BCCSL Divisional Winner and the Coastal Cup Winner are the same, the Coastal Cup Runner Up will receive the second spot.
- If the Provincial Cup is being hosted by a Lower Mainland Club the third spot will go to the Host Club providing, they declare their intention of filling those spots by April 1st. If the Host Club has qualified through the course of the Coastal Cup Playdowns or is a BCCSL Divisional Winner, the Coastal Cup Runner Up will receive the third spot. If Coastal Cup Runner Up has already secured a spot in the Provincials, the winner of the third place Coastal Cup game will secure the third spot.

How are league winners determined?

- In divisions where there are multiple groups the teams will be blended into one large group and sorted based on points per game.
- If there is a tie for the top position the following tie breaker will be used:
 - Head-to-head results
 - If there are no head-to-head games or the total points between the teams is level, then goal difference will be looked at next
 - If goal difference is the same, then most goals scored (based on average per game if necessary) will be used. All games that exceed a 7-goal difference will be manually recalculated to reflect a maximum 7 goal difference.
 - If all these don't break the tie, a play-off game will be played to determine the winner on April 6 (boys) and April 7 (girls), a coin toss/random selector will determine who is the home team.
