

# *Europe Travel Teams*

Next Level Soccer is excited to offer travel opportunities for Burnaby FC. Next Level Soccer strives to provide players with a once in a lifetime experience where they are immersed in European soccer life.

Players will work with top youth coaches, gain a better understanding of the game and see how they compare to their European counterparts. They will also experience European culture off the field.

Our dedicated team of professionals has over 40 years of combined experience executing these trips and are committed to providing exceptional soccer experiences that go beyond the ordinary with a personal touch. We have access to the top professional and amateur youth teams in Europe. A member of our staff travels with the group to provide support and guidance throughout the trip.

Contact us to discuss one of our standard trip packages to England, Italy or Spain, or if you prefer to customize your trip, we require the following basic details:

- Country or countries you wish to travel to
- Dates/time of year/number of days
- Level of competition desired (we can help assess)
- Number of games and training sessions desired
- Number of travelers

We will draft an itinerary for your review and approval. Once approved, we will provide the cost and a payment schedule. The head coach travels free of charge.
