ABOUT US

Powered by inspiresport and partnered with some of the world's best soccer academies, Next Generation International's expertise in soccer and travel logistics will ensure a smooth trip. The quality and credentialing standards we maintain provide coaches and parents with the necessary assurances that their children will be safe and well cared for while overseas. We are proud and excited that you have chosen us and our hope is that every player, coach, and parent that participates in one of our unique trips will have a positive, life-changing experience.

THE PROGRAM

Opened in 2017, the FC Bayern Campus is a state of the art training facility and home to all Academy teams from U9 through to U19s. With it's 2,500 seater stadium, it is also where the FC Bayern Women's and Girls teams train and play. As part of our exclusive FC Bayern Munich experience, your players will be coached by the club's Academy staff which includes two World Cup winners from Italia '90 – Klaus Augenthaler and Hans Pfluegler. The Allianz Arena is clearly visible from the 30-hectare site which includes 8 full size as well as a number of mini and beach pitches. Aside from football, the site boasts fantastic training and athletic facilities with a fitness park (complete with fitness hill!) and clubhouse offering onsite catering.
