# CELTIC FC PROGRAM

The Celtic Youth Academy have enjoyed lots of success in giving young players the support and developing the skills required to become professional soccer players. Since 2000/01, it is believed that one in three Celtic Youth Academy players have gone on to become professional soccer players. All training sessions will be provided at either Lennoxton or Barrowfield Training Centers by Celtic FC coaching staff. The objective of the Celtic FC Academy is to create a world class academy which produces the next generation of Champions League players. They believe that a successful player starts from within, and every player is expected to live by their four principles: respect, commitment, integrity, and support. Train at the club's official training ground and test your team's newfound skills with matches against local opposition.
