REAL MADRID PROGRAM

The Real Madrid Foundation Soccer Tours offer an amazing experience for young players of all abilities. Train at Real Madrid City (Valdebebas), the club's official training ground which covers a spectacular 1,200,000m², with foundation coaches and test your new skills with organised matches against local opposition. There's no doubt your group will be immersed in this Madrid experience with the Real Madrid Foundation Clinic.

Your group will have the exciting opportunity to discover the prestigious Santiago Bernabeu Stadium with an exclusive behind-the-scenes tour and learn what life would be like as a Madridista playing in La Liga. To complete the tour, your group will have the opportunity to see a La Liga fixture and take in the fantastic Santiago Bernabeu atmosphere as the Real Madrid stars perform live.*

VALENCIA CF PROGRAM

Receive top class training from Valencia CF's full time professional club coaches, with courses adapted to the requirements and ability level of your group. Valencia have gone from strength to strength in recent years, so there's no better time for your club to learn the skills and techniques from one of Spain's best clubs.
