

## Frequently Asked Questions House

### Where and when will my child practice?

Teams will be notified of practice times and locations in July with coaches given an opportunity to request changes based on availability. Training times and location should be confirmed by July 31. We aim to have all the teams from the same age group practicing during same nights and using same fields.

### What do I do if I lose one of my jerseys?

Please contact our kit manager [here](#).

### When is registration for House?

Registration for the 2024 Fall season is now closed but you can join our [waitlist](#). We are continuously looking to add coaches in order to add teams. If we are successful in adding coaches then we will look to add teams and players from the waitlist.

### What kit do House (U8-U10) players receive?

All new players will receive socks, shorts and home and away jerseys. Returning players will use their existing uniforms.

### When will I hear from my coaches about the season starting?

You will hear from your coaches in late July/early August for 2024-2025 season. First Kicks and House will kick off at our annual Jamboree on September 7th.

### How do I request to play with a friend, carpool partner or coach?

You can request to play with a friend by noting it on your registration or emailing our [Operations Manager](#).

### How many players on each team for House?

At U8 and U9 it will be 5v5 (including GKs) and at U10 it will be 7v7 (including GKs)

### How will I know when games or practices are cancelled? Why would games or practices be cancelled?

You will be notified via your TeamSnap, and we will also post it on our social media channels. We recognize the importance for parents/players to be advised as soon as is possible. There are many reasons a game or practice can be cancelled (air quality, snow, heavy rain etc.).

### **Are there washrooms and what is the protocol for my child to go?**

Most of the fields BFC uses have public washrooms. Players should tell their coach/manager if they need to use the washroom and be shown where they are and depending on their age can be accompanied by team manager. If your child is under the age of 10 it is asked that you remain at practice, in these cases you will be asked to accompany your child to the washroom.

### **How do I volunteer to become a coach?**

Please visit our coaches' section on the [website](#) or [contact us](#).

### **What if I cannot afford the fees?**

Burnaby FC is committed to ensuring any player who wishes to participate in our programming should not be limited by financial restrictions. Our [Financial Assistance Policy](#) outlines the options available and is available on our website programs section and in our resources section.
